Part B for June 1934

SUBJECT

Appointment of Dr B Narasimha Iyengar as Deputy Director of ~~Industries & Commerce~~ Agriculture in Mysore

Serial No.

Letter no ROC. 2010/33 d. 20.2.1931
From the Director of Agriculture.
Recommends that two posts of Deputy Directors on Rs. 700-50-1000 may be maintained and that Dr. B. Narasimha Iyengar and Dr V.K. Badami be appointed to the posts.

Messrs H.V. Krishnaiya and A.K. Yegnanarayana Iyer were Deputy Directors on Rs. 700-50-1000. One of these posts was abolished on the retirement of Mr. Krishnaiya; and at present there is only one post of Dy. Director held by Mr. Y. Iyer The grade is however personal to him

2. If the post is continued after promotion of Mr. Y. Iyer as Director (he is at present acting Director), one of the other officers can be appointed acting Dy. Director. ~~a permanent Dy Dirs (according as Dr Sp. Dy is acting)~~
The points for orders are:—

(1) Continuance of post of Dy. Director & on what pay.
(2) Whether two posts of Dy. Director need be maintained ~~be reviewed~~ or one abolished also.

NOTE—Contn. Sheet.

WD 434—GPB—15-10-32—10,000

Serial No.

3. As regards the officers recommended for appointment as Dy. Director, their present position is as indicated below:—

(i) Dr B. Narasimha Iyengar, B.A, Ph.D (Gottingen)
Chemist - drawing Rs 700 in grade 250-30-700
from 1-9-31.

(ii) Dr V.K. Badami, L.Ag. Ph.D (Cantab)
Economic Botanist: drawg Rs 610 in grade 250-30-700
(from 16.3.33)

It is not stated whether these officers are to continue to do their present duties after change of designation — or whether any change in work & responsibilities is intended. Perhaps it is only a question of designating the most senior men as Dy. Directors without ref. to any particular charge.

4. The question of revision of grades in the Agricultural Dept. appears to have been informally discussed at the last meeting of Council, and it has been recorded in that connection that the question of fixing the maximum of Dy Director at Rs 800 (and of some of the Assistants at Rs 600) be further examined.

No necessity

There were two ports of D.y D.rs one of which was not filled up on the retirement of Mr H. V. Krishnaya. The other post is now vacant, on the promotion of Mr A K Y Iyer as Director. I think the Senior most officer Dr Narasinha Iyengar who is now drawing Rs 700 may be promoted to act as Dy D.r. It has been provisionally decided that the maximum of the post sd not exceed Rs 800. It may perhaps be fixed at 600 - 800 Rs. Dr B Narasinha Iyengar stands on a suitable pay in that grade. The question may be discussed at a meeting of C.l of the Dewan approves

The post of Deputy Director was first created in G.O. No R 6695-743 | Agri 107-12-13 Dt 24-2-1914. and Mr A. K. Yegnarayana Iyer was appointed to that post from 1-3-1914. The proceedings volume for Feb 1914 is placed below for reference the original file leading to the above G.O. is not traceable. "A"

Reference is also invited to the Statement appended to the G.O. Dt 24-2-14. It would appear from that Statement that there was no post of Dy Director prior to 1914 "B"

Submitted with reference to First Member's Minute Dt 5.5.1934.

CSR 7/5 The G.O. dated 24-2-1914 shows that two posts on Rs 400-30-700 were then created — one was called "Dy. Director of Agriculture & the other "Chemist Geolog. Dept" and Messrs A. K. Yegnarayana Iyer and N. V. Krishnayya were appointed to these two posts. (Both these posts were later on placed in grade 700-50-1000 and designated Dy. Director) Prior to 1914, there were no Deputy or Asst Directors of Agriculture

Formerly (1923-24) the pay of the Deputy Director's post was only Rs 400-30-700. It cannot be stated that in the contemplated revision of scales of pay, the pay of this post will not and cannot be reduced below Rs 600 -- 800/- I would therefore suggest that the fixing of a new scale for this post may be put off for the present pending the revision of the scales of pay.

Final Note by the Second Member of Council.

Subject:—

Question of filling up the post of Deputy Directors in the Agricultural Department.

These papers relate to the proposal of the Director of Agriculture to fill up the two posts of Deputy Directors. Prior to the retirement of Mr. H.V. Krishnaiya, there were two posts of Deputy Directors, held by Messrs. Krishnaiya and Yegnanarayana Iyer. One of these posts was abolished on the retirement of Mr. Krishnaiya. The Director now recommends that this post might be revived and Messrs. B. Narasimha Iyengar and V.K. Badami appointed as Deputy Directors.

As one of these posts has already been retrenched, it is unnecessary to revive it at present. The question of filling up the other place now vacant was considered in Council on the 11th May, when it was resolved that the "pay of the Deputy Director may be fixed at Rs.700-50/2-800, and Dr. B. Narasimha Iyengar may be appointed Deputy Director and given a pay of Rs.750 per mensem". The Resolution of the Council may be graciously approved.

OFFICE OF THE SECRETARY TO GOVERNMENT, DEVELOPMENT COUNCIL. 28 FEB 1934 No. 5277

SIR

I have the honour to state that I feel it my duty, on the eve of my retirement, to make certain recommendations for the sympathetic consideration of Government. The object of these recommendations is to enhance the efficiency of the Agricultural Department and to maintain and strengthen its reputation as one of the best in India. I shall deal in this letter with only one recommendation leaving the others to be dealt with elsewhere.

As you are aware, there were upto a little over a year ago two posts on Rs.700-50-1000/- in the Agricultural Department - one occupied by Mr. H. V. Krishnayya and the other by Mr. A. K. Yegnanarayana Iyer. I feel strongly that these two posts should be maintained as a selection grade to be occupied by men who have done really valuable service.

It has long seemed to me anomalous that officers of the Agricultural Department with very high academic qualifications and distinguished records in research should not have positions of a status at least equal to that of a professor in the University. In British India this will, I think, be found universally the case. I would strongly recommend therefore that the two posts in this grade be retained and with the elevation of Mr. A. K. Yegnanarayana Iyer to the post of Director of Agriculture, these be filled by Dr. B. Narasimha Iyengar and Dr. V. K. Badami

P.t.o.

Both these men after academic careers pf distinction have over a long series of years carried out research work which has been at the basis of much of the department's success and reputation. Especially, in connection with the developments in the Irwin Canal area is their work bearing fruit of very great monetary value to the State.

I do not consider it necessary to go in detail into the merits of their cases as they have already been placed by me before Government on more than one occasion.

In conclusion, I should only to express the opinion that when the time comes both of these officers are capable of directing the activities of the Agricultural Department so as to ensure that its traditions for sound work are maintained and enhanced.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

H.H. the Maharaja of Mysore.
